

ChēōryChews®

Vegan

GUMMY

PRODUCT
PROFILE

The background of the page is decorated with various tropical plants and flowers. At the top, there are several white orchids with yellow centers, surrounded by large, vibrant green leaves, including a prominent monstera leaf with its characteristic holes. The foliage is arranged in a way that frames the central text. The overall aesthetic is fresh and natural.

Brand Story

Need a sweet treat to get you through the day? Our Vegan Gummy is the way to go! Made with 100% Non-GMO ingredients that are fat free, cholesterol free, free from the top 10 Common Allergens and contain all-natural fruit juice, we have taken iconic flavors and combinations of delicious gummy that are loved by all and have given it our own vegan twist! Made with fruit-derived pectin, our Vegan Gummy products contain no gelatin and can be enjoyed by all!

So next time you're looking for a guilt-free, cruelty-free treat, look out for Cheery Chews' Vegan Gummy and reach for a bag today!
